

# SEXUAL ASSAULT INVESTIGATIONS

## for Police Officers and Police Investigators

Equip your officers with essential skills to effectively address sexual assault cases with our comprehensive training course. Our program is designed to enhance officers' understanding of sexual assault dynamics, victim-centered approaches, and investigative techniques, ensuring they can handle these sensitive cases with professionalism and empathy.

- **Understanding Sexual Assault:** Explore the different types of sexual assault, myths, and realities surrounding the crime.
- **Trauma-Informed Response:** Learn how to interact with survivors in a supportive and empathetic manner, understanding the impact of trauma on victims.
- **Legal Framework:** Gain insights into relevant laws, protocols, and procedures related to sexual assault investigations and victim advocacy.
- **Interviewing Techniques:** Master the art of conducting interviews with survivors and witnesses, ensuring thorough and sensitive information gathering.
- **Evidence Collection and Preservation:** Acquire practical skills in collecting, documenting, and preserving evidence crucial for successful prosecution.
- **Collaborative Approaches:** Understand the importance of multi-disciplinary collaboration with victim advocates, medical professionals, and other agencies.
