

LEGAL ASPECTS FOR POLICE SUPERVISORS

Unlawful detentions, unlawful arrests, improper searches and similar police actions can lead to evidence suppression, civil liability and in some cases criminal liability. **First line supervisors and police managers must have a clear, solid understanding of these aspects to ensure that their officers are complying with complex legal protections and restrictions.** This course is designed to ensure that police supervisor and managers are well prepared to monitor and train their officers to ensure that critical legal aspects are understood and followed.

Hanrahan Consulting, LLC has quickly become the premiere legal trainer for Massachusetts Police Officers and Supervisors. Complicated legal matters instructed in an easy to understand manner with practical real life examples.

Some of the topics covered:

- Civil Liability & Qualified Immunity
- Lawfulness of Temporary detentions & MV Stops, including exit orders
- Warrantless Arrest Powers
- Home entries
- Jurisdictional issues
- Warrantless searches
- Domestic Violence
- Often misunderstood criminal laws
- And many other important areas

Instructed by: Attorney Justin M. Hanrahan

Fee: \$200, includes booklet

The New Police Reform Law will also be covered in detail.
