

Understanding and Responding to Terrorism

for 911 Call-Takers & First Responders

Course Overview: Terror related attacks are becoming commonplace and first responders, including 911 Call-takers, must be familiar and prepared with the risks, causes and nature of the various terrorist related activities and attacks that have occurred and that are likely to occur.

This course will cover the following topics:

- Foundations of homegrown and foreign terrorism
- An analysis of recent terror related events
- Likely targets and methods
- Prevention and identification of Terror related activities
- Handling the terror related event/call
- Terror incident mitigation
- And numerous other related topics
