

MISSING PERSONS for 911 Call-Takers

Course Overview: This course is designed for 911 call-takers and other first responders. The course will train these professionals on the techniques and legal requirements pertaining to missing person reports. The initial report often plays a vital role in rapidly and successfully locating a missing person, from children to adults to seniors and those with special needs. A variety of legal requirements and tactics exist that every 911 call-taker and first responder should know.

This course will cover the following topics:

- Missing Person Overview
- Urgency and Dangers
- Receiving information
- Dispatching the information
- Special Population issues
- Location Strategies
- Cell phone location rules and laws
- Laws Related to Missing Persons
